SharePoint home on the Web

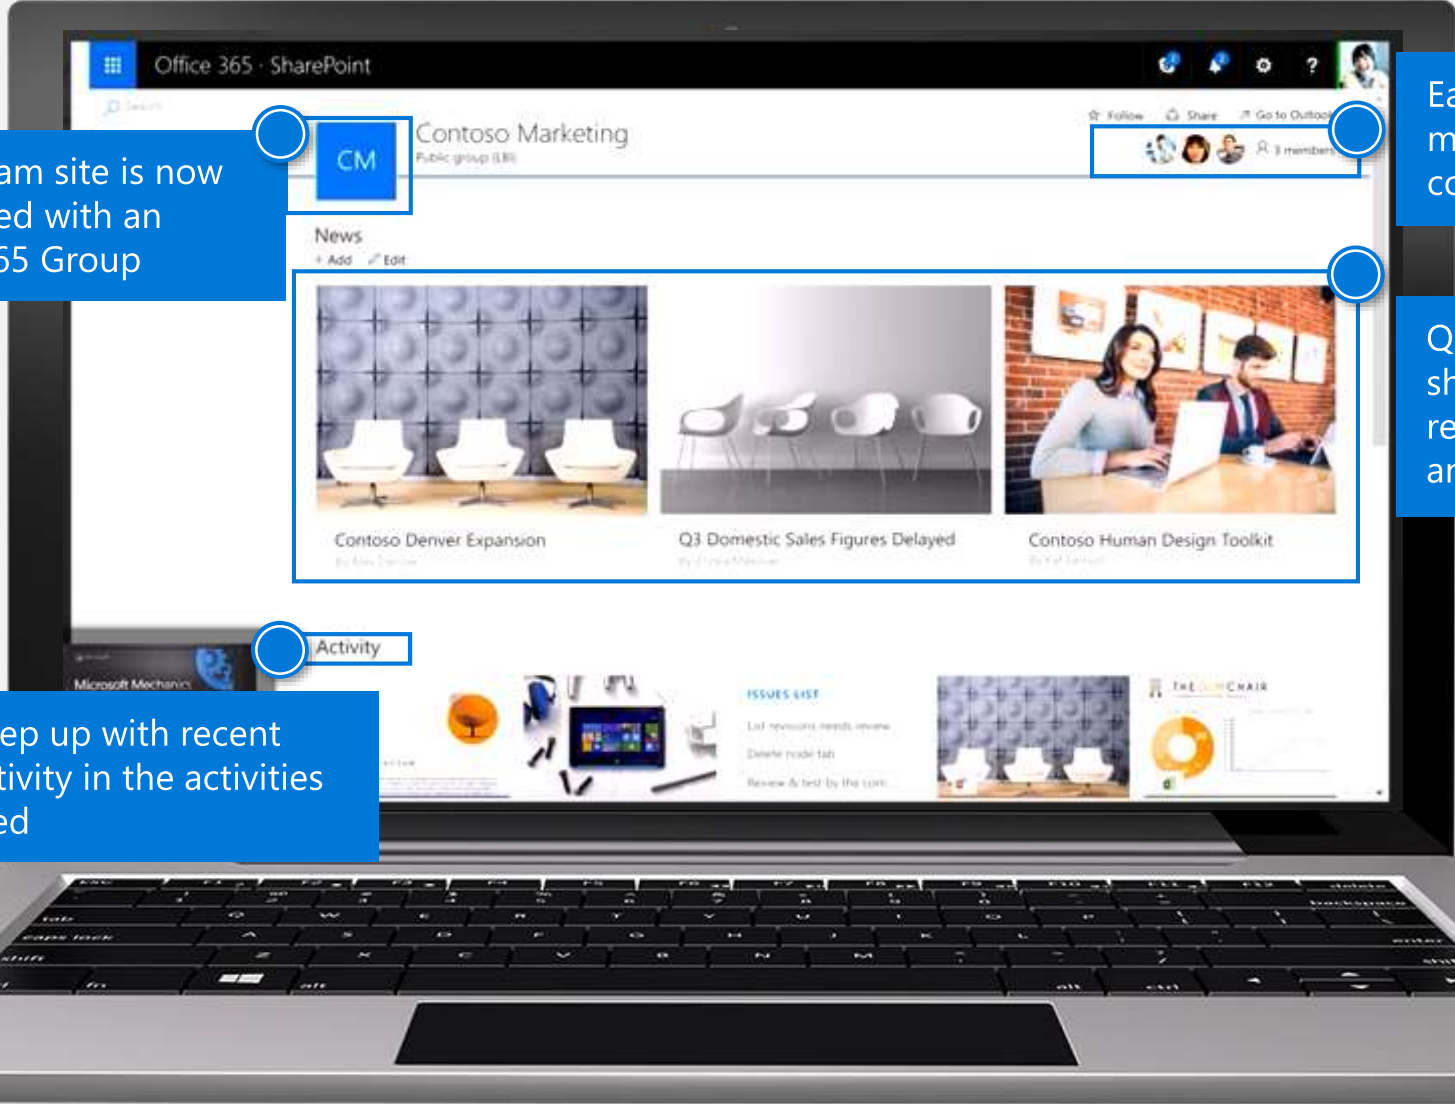

# THE NEW SHAREPOINT TEAM SITE

Every team site is now associated with an Office 365 Group

Keep up with recent activity in the activities feed

Easily find group members and conversations

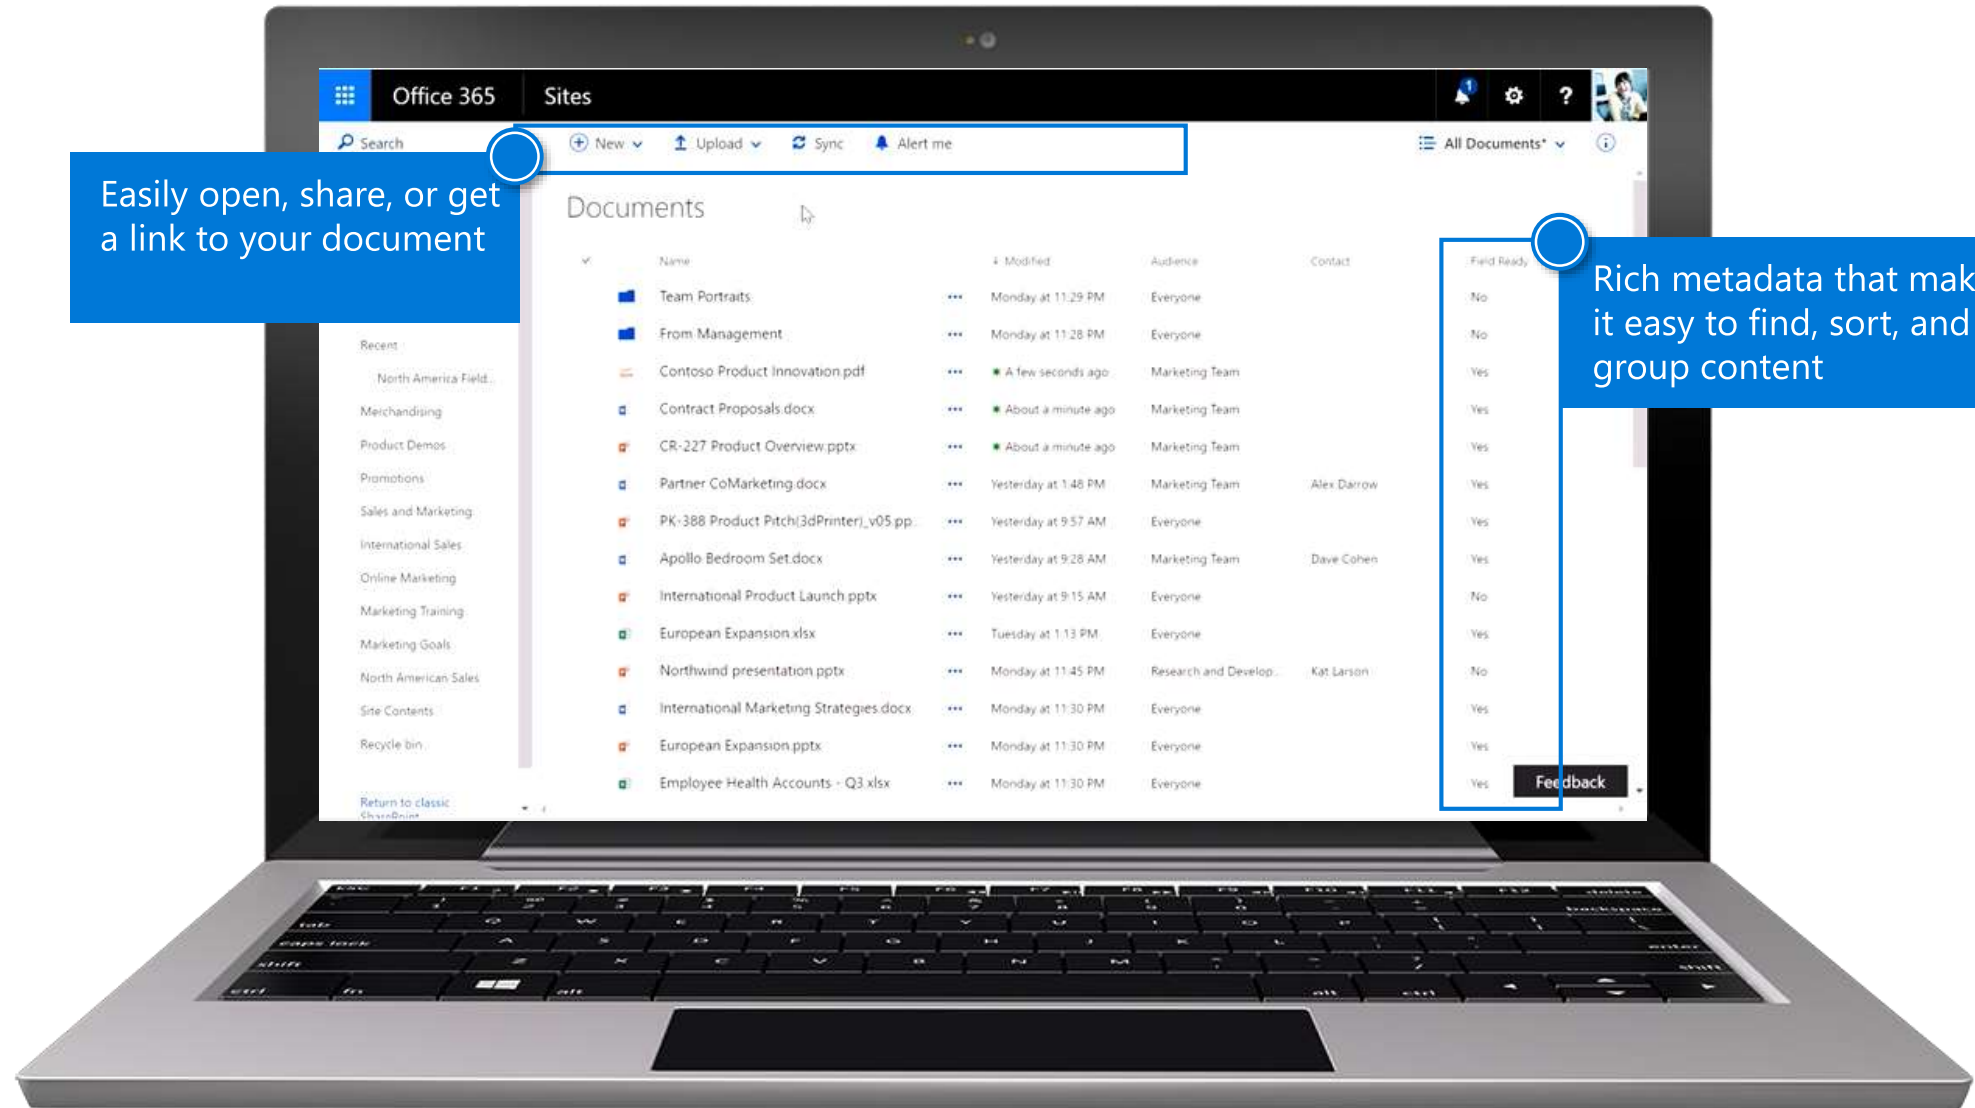

Quickly pin to top to showcase the most relevant news, videos and content

Team Sites look great on mobile devices, and are natively displayed when accessed through the new SharePoint mobile app.

# MODERN DOCUMENT LIBRARIES

Easily open, share, or get a link to your document

Rich metadata that makes it easy to find, sort, and group content

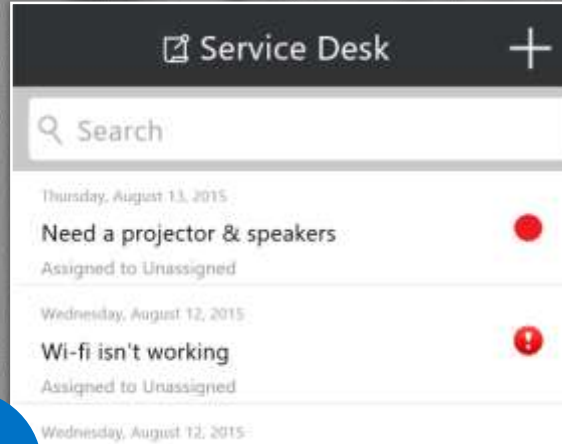

## Engage your employees

---

- Instant employee surveys
- Event-specific signups
- Campus resources

## Run your business everywhere

---

- Issue tracking across systems
- Breaking customer news
- Assisted sales experiences

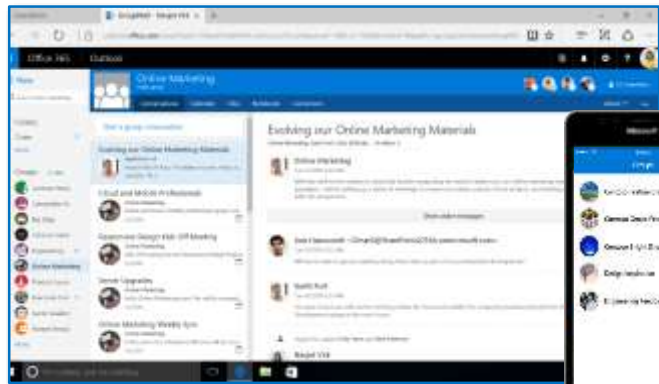

## Mobilize mission-critical systems

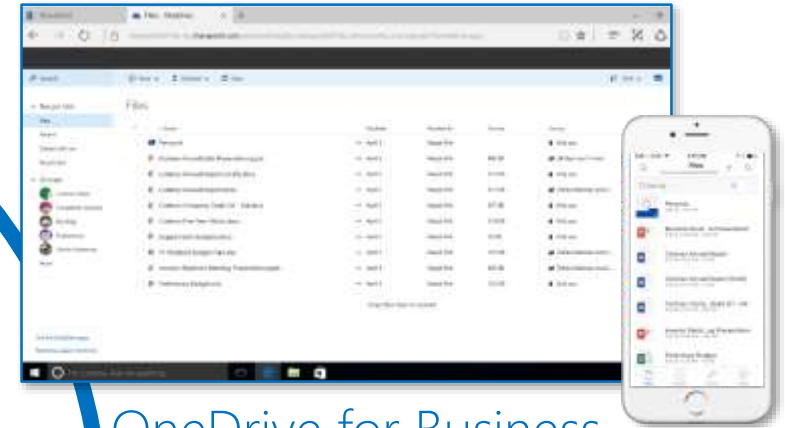

---

- SharePoint apps
- Time and expense tracking
- ERP and CRM systems
